

Expression of Interest - Landcare Works

Please complete this form and return via post or to the email address above.

This Expression of Interest form is designed to establish the landcare works you would like to carry out. The information supplied will be used to apply for any appropriate/available funding. The funding application may be either for your individual project or part of a catchment or group project, dependent on the funding program targets and priorities.

Landholder/ contact name: _____

Trading Name: _____

A.B.N. (if applicable) _____ Registered for GST? Y N

Postal Address: _____

Email: _____ Phone: _____

Property Name/s where works are planned: _____

_____ Date: _____

What would you like to do? include kms fencing and reason e.g.: fencing remnant vegetation, fencing to revegetate, fencing creeklines/river etc, ha of revegetation, water surface management, km of drainage, list any locally occurring threatened flora or fauna species.

Reason for landcare works:

Are you near or adjacent to any natural resources? i.e. creeks, brooks, rivers, lakes.

Any comments or ideas for other funded projects:

Mud Map

Clearly mark roads, adjacent owners, existing fences, planned works, bores, dams, drainage lines, rivers, creeks or watercourses.

* or attach a copy of your own farm map, marked with the above

A large empty rectangular box for drawing a mud map. In the top right corner of the box, there is a compass rose with the letters N, S, E, and W indicating the cardinal directions.

*Thankyou - the BBG appreciates your input.
We hope we are able to assist you to achieve your plan.*

THIS IS NOT A FUNDING APPLICATION

Yes, I would like to be added to the network e-news list to be notified of any funding opportunities or upcoming events
